

# Help Den 12 Help Marine Lance Corporal Peterson

## Lance Corporal Peterson and Den 12 Cub Scouts at the Build Brigade

Lance Corporal Daniel Peterson was severely injured in a tree line bombing while on a special operations mission in Afghanistan. Now a double amputee, Lance Corporal Peterson is coming home. Homes for Our Troops began construction on a home in Tomball on January 6. The home will be ready for Lance Corporal Peterson in 2-3 months.

### We need your help!

While Homes for Our Troops provides a home, it will be empty. That's why Cub Scout Tiger Den 12 and Rolling Thunder® TX2, a non-profit organization, have teamed up to raise \$15,000.00. We will use these funds to furnish Lance Corporal Peterson's home and stock his pantry.

### Your Donation will help us help Lance Corporal Peterson!

Den 12 knows that with your support we **CAN** and **WILL** furnish his home and stock his pantry.
