

Spend A Day With A VET!

America is a land of freedom, preserved and protected willingly and freely by citizen soldiers. Millions have answered the call to arms and have served and sacrificed to preserve the freedom and values that Americans cherish.

U.S. VETS Midtown Terrace facility was opened in 1997. It features 170 units of transitional and permanent housing and 72 program beds. Special needs programs include a Critical Time Intervention Program, a joint program with the VA Medical Center designed to reach out to homeless veterans with mental illness. The staff also works with VETS to assist them in finding employment and job training.

The Spend A Day With A VET event is being supported by the Houston area chapter members of Rolling Thunder and The Rotary Club of Sharpstown.

The City of Houston recognizes the significant and lasting contributions of our armed forces veterans, appreciates their courage and dedication, and extends best wishes to all for a successful and rewarding event.

Therefore, I, Bill White, Mayor of the City of Houston, hereby proclaim July 19, 2008, as

Spend A Day With A VET!

in Houston, Texas, and urge all citizens to remember those who have served our great nation.

In Witness Whereof, I have hereunto set my hand and have caused the Official Seal of the City of Houston to be affixed this 17th day of July, 2008 A.D.

Bill White
